College Partnerships (NEW SCHOOLS ADDED)

IHA is excited to announce that we have engaged in several formal partnerships with colleges and universities. As part of these partnerships, eligible IHA students can enjoy **guaranteed acceptance, scholarship opportunities**, and a **streamlined college application process**. Students who achieve the required GPA and successfully fulfill IHA's academic and community service requirements are eligible to take advantage of these exciting opportunities. These partnerships reflect the confidence colleges and universities place in the strength of an IHA education, recognizing the academic rigor, dedication, and excellence that define our students. We currently have eight partnership agreements with the schools listed below and plan to offer additional college partnerships in the future! At this time, our current partnerships include **Iona University, Loyola University Maryland, Fairleigh Dickinson University, Mount Saint Mary College, The Catholic University of America, University of Scranton, Quinnipiac University,** and **Sacred Heart University.**

Healthcare Careers Discovery Program

The Healthcare Careers Discovery Program offers students the opportunity to immerse themselves in interactive learning experiences at the Holy Name Medical Center Simulation Center. Students participate in workshops and simulation scenarios and are exposed to a variety of clinical skills and healthcare professions. Applications will open on November 2, 2026, at 12 PM and will close on November 30, 2026, at 12 PM. For more information, visit the program website.

Coolidge Scholarship Program for Juniors

The Coolidge Scholarship is a full-ride, four-year, merit scholarship that recipients can use for undergraduate study at any accredited college in the United States. Any high school junior who plans to enroll in college in the fall of 2028 and is an American citizen is eligible to apply. For application details visit the scholarship website.
