**April 2025**

### **Senior Scholarship Opportunities**

Over the course of the year, IHA is notified about several scholarship opportunities for seniors. All scholarships that we are made aware of can be found at [this link](#). Please check it periodically and apply to those you may qualify for. Additionally, if we are notified of scholarships for students who live in a specific town, they will be sent to those students directly.

### **Standardized Testing for Juniors**

Just a reminder that now is the time to register for the SATs or ACTs. There are several dates approaching this spring. Please do not wait until the last minute as spots fill up VERY quickly. Registration deadlines are typically three weeks before the exam date. Students should ideally be taking the test twice so they can use a super score. Additionally, all testing should be COMPLETED by September. Fall testing is not advised as it could interfere with college application deadlines.

SATs – May 3, June 7, August (TBD)

ACTs – June 14, July 12

### **Summer Enrichment Programs**

Don't forget to check out our list of [summer programs](#) offered around the country at colleges and universities.
