### College Corner Lynchburg College (Lynchburg, VA)

Lynchburg College is a private, independent, residential college in Central Virginia at the foot of the Blue Ridge Mountains. It's an ideal location for those who enjoy the outdoors with hiking, biking, camping, and kayaking nearby, and classes that take place outside. Lynchburg offers 40 undergraduate and 18 graduate programs supported by a strong liberal arts foundation. Lynchburg is proud to offer two doctoral programs in physical therapy and education. At Lynchburg, students learn by doing—through internships, study abroad trips, research with faculty, and service. School spirit is a Lynchburg tradition; students are in a truly caring community and are actively involved in all aspects of campus life. The heart of Lynchburg's campus is the Drysdale Student Center, which includes student lounges, dining options, a fitness center, and a game room. Lynchburg has also made a strong commitment to sustainability with a 43% reduction in carbon emissions and an investment of \$4 million in energy upgrades. Lynchburg is one of only 40 colleges included in *Colleges that Change Lives*, is ranked as a top tier school in the south by *U.S. News & World Report*, and is also featured in Princeton Review's *The Best 379 Colleges*.
