### College Corner Muhlenberg College (Allentown, Pennsylvania)

Muhlenberg College is located in a residential, downtown area in the city of Allentown, Pennsylvania. Allentown, located in the vibrant Lehigh Valley fewer than 90 minutes from New York City, is a magnet for entrepreneurs and new businesses and home to the most extensive park system. Students at Muhlenberg are part of an academically strong community with national and global recognition. Muhlenberg College offers many academic programs including Accounting, Analytics, Entrepreneurship, and Sustainability Studies, but the school is most known for its Visual Arts and Humanities courses. Muhlenberg aims to develop independent and critical thinkers who are equipped with ethical and civic values. Its low student-to-faculty ratio allows students to fully connect with professors who are available to support students through their college journey. Besides receiving a strong foundation for learning, students are welcome to join over 22 different sports teams and 110 clubs.
