Our Mission

Immaculate Heart Academy is a college preparatory high school in the Archdiocese of Newark which has as its purpose the complete education of young women. By both cultivating the traditional Christian values of the Roman Catholic Church and by upholding exceptional academic standards, IHA offers a unique educational experience for the young women in our community. Immaculate Heart Academy strives to develop every aspect of the individual by educating the mind, nurturing the spirit, and promoting a healthy lifestyle. By instilling in its students a sense of responsibility, confidence, justice, peace, and compassion, Immaculate Heart Academy prepares its students for life throughout the twenty-first century.

President's Corner

Dear IHA Community,

It is hard to believe that we are approaching the conclusion of another school year. While it feels like each year moves faster than the previous, it is important to be present in each moment and to celebrate our impressive students as a community.

Whether cheering for student-athletes, dancing with the cast of *Mamma Mia!*, celebrating service award recipients, acknowledging the DECA chapter on their incredible run to nationals, or recognizing the achievements of their fellow classmates, our inspiring student body shows up for one another in visible displays of support and solidarity. This powerful union of sisterhood continues to set us apart, and is one of the reasons 175 rising freshmen chose Immaculate Heart Academy to be their home for the next four years. We welcome this remarkable group of young women into the sisterhood, and cannot wait to see you in the fall.

As we invite our newest members to this sisterhood, we also prepare to bid farewell to our seniors. The Class of 2024 is an impressive group of women, and in the coming days, they will embark on a new journey outside the walls of our beloved school. The resounding echo of a dynamic sisterhood will continue to be with them as they move through college, young adulthood, and beyond. The support of their alma mater will always remain with them, as will the memories and friendships they have formed during their time here.

May God continue to bless us all and give us a summer of peace and relaxation before we head into the 2024-25 academic year.

President P'27, '28

IHA Eagle Ambassadors welcomed members of our newly accepted Class of 2028 at Accepted Students Night. Congratulations! We can't wait to see our new sisters in September.

IHA Presents: MAMMA MIA!™

IHA was proud to present its 2024 spring musical, *Mamma Mia!* on March 22-24. This sold-out, entertaining musical highlighted hit songs from ABBA and had everyone in the audience wanting more!

Cast and crew members creatively told the story of Sophie, a bride-to-be who wants to find her father. Through music and dance, Sophie discovers the true meaning of friendship, life, and most importantly, the joy of what love can bring. The vibrant and colorful set,

incredible singing, and dynamic dancing made this musical one of the best musicals ever performed at Immaculate Heart Academy!

Thank you to everyone involved in this amazing production, including *Mamma Mia!* producer and artistic director Ms. Elizabeth Scully '15, coordinator for the performing arts; director Jodi Capeless P'22; choreographer Kimberly Galberait P'22; and music director Edward Ginter. We would also like to extend our heartfelt thank you to the rest of the production

team, including IHA crew members; our set designer Vincent Gunn; lighting designer Nikki Belenski; costume designer Nancy Reynolds, sound designers Steve Kolakowsky and Concert Audio; faculty moderators; parent and student volunteers; the orchestra; IHA administration; and Mrs. Maureen Layng.

This year's musical featured a large cast of principal characters and supporting cast members, all of whom were brilliant on stage! A special thank you to Madeline Heinimann '24, Isabella Falletta '24, Maeve Murray '24, and Ava Previzi '24 on their final magnificent performance at Immaculate Heart Academy. Also shining on stage from Immaculate Heart

Academy: Tara McCarthy '26, Kaylie O'Connell '27, and Katherine Ryan '25. We would also like to call attention to our featured dancers, Clara Byrnes '26, Ellie Daniels '26, Megan McCarthy '25, Lucyann Tappan '25, and Alyssa Torres '24; and our IHA ensemble, Nell Burczon '25, Jenna Circelli '27, Sophia Cremona '24, Genesis Dagdayan '27, Marley Digby '27, Kate Hujsa '26, Madison Les '26, Olivia Pantano '25, Lola Rose Projahn

'25, Gianna Valente '27, Samantha Vaz '27, and Ella Vrtis '26.

In addition to students from Immaculate Heart Academy, students from St. Joseph Regional High School and Westwood Regional High School performed in the musical. We couldn't have done it without you. Congratulations on another amazing production from IHA's Performing Arts Department!

BELIEVE. Conference 2024

Girl, Arise! "Be who God meant you to be and you will set the world on fire."
—St. Catherine of Siena

HA students attended our inspiring Catholic Women's Leadership Conference March 9-11, 2024, at Kalahari Resort in Pocono Manor, Pennsylvania.

At this year's conference, 85 students celebrated their sisterhood and participated in prayerful reflection, inspiring discussions, and so much more! Over the course of three days, students strengthened their relationship with God through prayer and thought-provoking workshops, and at the same time built on the strong bonds of their sisterhood. Our students were also able to attend Mass and Eucharistic Adoration, listen to touching guest speakers, and of course take advantage of the beautiful facilities at Kalahari Resort.

“ The BELIEVE. 2024 conference was an eye-opening weekend that gave each girl the opportunity to grow in her faith with her sisters. The conference featured several keynote speakers, sisterhood activities, Adoration, Mass, and more. BELIEVE. 2024 was nothing short of amazing and is truly something I hope every IHA girl can experience. ”

-Grace Guglielmetti '25, social media chair for the Campus Ministry executive board

Another favorite activity at the conference was the Sisterhood Circle which is meant to provide the students with a space to verbally affirm each other. Students volunteer to enter the center of a circle to call out the good that

they see in a specific sister. According to Ms. Emily Ash '19, theology teacher and service coordinator, "The girls would have kept the Sisterhood Circle going all day if we let them! We emphasized that the circle is not the only chance they get to do this, they can do it everyday in the halls of IHA. We do not have to be in the Poconos for the girls to treasure the sisterhood and friendships God has given them."

Part of the BELIEVE. conference also included a special dinner that focused on the gifts of community and sisterhood. Students decorated their own gift bag with their name on it so that their fellow sisters could write a note describing the amazing gifts and talents they see in their sister. By the end of the night, everyone had a bag full of affirmations!

Another captivating part of the conference was the keynote speeches from Miss Kerry Carroll '04, principal; Ms. Lauren Rhein '09, director of admissions; Ms. Emily Ash '19; Samantha Povlock, founder and CEO of FemCatholic; and Ms. Lauren Meyers, former teacher at IHA.

Ms. Meyer shared with students what it means to believe in the love that God has for each one of us and to then live that out in the world each day. She highlighted different stories from women in Scripture who believed in God's love for them and used that love to become the women they were created to be with courage, compassion, and service.

Thank you to the IHA administration and Ms. Emily Ash '19, for this inspiring Gospel-centered weekend! We are also grateful for the many chaperones, and keynote speakers who devoted their time to help foster this amazing community of sisters.

“ BELIEVE. 2024 was a moving experience where IHA students were given the opportunity to grow in their relationship with God and their sisters. During the weekend, girls listened to speakers from Catholic organizations, attended Mass and Adoration, and participated in activities that encouraged friendship and sisterhood. BELIEVE. 2024 was a wonderful experience that will continue to have an impact on me after my years at IHA and has helped me grow in my faith in so many ways. I encourage every IHA girl to experience BELIEVE. as it has truly changed my life. ”

-Hannah Hart '24, president of sisterhood for the Campus Ministry executive board

DECA Chapter News

IHA Headed to Nationals!

Congratulations to Victoria DellaCroce '24, Marisa Flores '24, and Emily Magee '24 for their outstanding achievement! These IHA seniors placed sixth overall at the DECA State Career Development Conference! This remarkable accomplishment earned them a spot to compete nationally in California with over 22,000 high school students.

Thirteen IHA founding DECA members competed in marketing and entrepreneurship events at the state conference alongside 120 other NJ high schools from March 4-6, 2024, in Atlantic City.

In the marketing event, juniors Caitlyn Capizzi '25, Grace Guglielmetti '25, Aileen Mahoney '25, Emma Neyland '25, Ella Turnamian '25, and Francesca Velardo '25 showcased their skills through written and oral presentations. Lilé Policastro '25, earned her spot at states by excelling in the role play event for principles of finance from the district competition held at Ramapo College in January.

Seniors Victoria DellaCroce '24, Claire Donohoe '24, Anna Gallucci '24, Sofia Giannella '24, Marisa Flores '24, and Emily Magee '24, demonstrated their entrepreneurial prowess with written and oral presentations in the entrepreneurship event.

We couldn't be prouder of these students for representing IHA with excellence! Special thanks to our dedicated chapter advisor, Mrs. Christine Capizzi '89 P'25, for her guidance and support throughout this journey!

2023 Female Diversity Award

Immaculate Heart Academy once again earned the 2023 College Board's AP® Computer Science Female Diversity Award. IHA received the award for achieving high female representation in AP Computer Science A (CSA).

Congratulations to Mrs. Theresa Seymour Dolan '95 P'26 for achieving this honor once again! IHA also received this award in 2018, 2019, 2020, 2021, and 2022.

Schools honored with the AP Computer Science Female Diversity Award are recognized for having expanded girls' access to AP computer science courses, and serve as an inspiration and model for all U.S. high schools. In 2023, IHA was one of 225 schools recognized nationally in the category of AP Computer Science A.

Mrs. Dolan said the school is honored by this recognition. "As a teacher, I could not be prouder of the commitment of our students in their study of AP Computer Science." She continued, "I look forward to seeing our young women pursue their passions and achieve success as computer science and STEM professionals."

Model United Nations (UN) Club

Nine students from the Model UN Club participated in a two day conference at Bergen Academies in February, 2024. Victoria DelJuidice '25, Harper Eddy '27, Maila Hamilton '27, Maureen Hennelly '26, Madelyn Hryniw '26, Samantha Kerrigan '26, Lara Piccitto '27, Marcella Seckin '25, and Samantha Venn '27 did a wonderful job representing Immaculate Heart Academy at the conference. Victoria DelJuidice was awarded Honorable Mention for representing Italy in the Economic and Financial Committee. Congratulations and a special thank you to science department chairperson and club moderator, Mrs. Helen DeMartini P'21, '23.

New Book by Patrice McDonough

Congratulations to former IHA teacher Ms. Patrice McDonough on her new book! Set in Victorian London, *Murder by Lamplight* is a historically rich mystery that vividly takes readers through a gruesome series of murders. One of Britain's first female physicians, Dr. Julia Lewis, teams up with a skeptical inspector from Scotland Yard to investigate the murders in this enthralling, historical series debut. Ms. McDonough taught social studies at Immaculate Heart Academy for more than three decades before retiring as department head in 2018 to begin her second career writing historical mysteries. She currently splits her time between New Jersey and Florida, spending her leisure hours traveling, sailing, playing golf, watching classic movies, and of course reading histories, mysteries, and historical novels! She recently attended an author's luncheon at BookTowne Bookstore in Manasquan, where she met up with former student Sandra (Azzollini) McKinley '93 pictured above. Join Ms. McDonough for a book signing at our IHA Summer Reading Bookfair at Barnes & Noble in Paramus on June 12 at 12:00 PM.

HOBY AMBASSADORS

Congratulations to three IHA sophomores for being chosen as our 2024 Hugh O'Brian Youth Leadership (HOBY) ambassadors. Kathleen Brancato '26, Kathleen Hahn '26, and Elliot Daniels '26 were chosen to attend the HOBY New Jersey Leadership Conference this year for IHA. The three sophomores were selected by faculty

and staff to represent Immaculate Heart Academy at the conference this summer at Drew University. The annual seminar hosts high school sophomores from across the state for three days of inspiring speakers, skill-building activities, and community service. Kathleen, Elliot, and Kathleen were presented their certificate at our Catholic Schools Week liturgy earlier this year. Congratulations!

Meghan Deane '24 Honored

Congratulations to National Art Honor Society co-president Meghan Deane '24! Meghan's artwork was selected for inclusion in the 2024 National Art Honor Society (NAHS)/National Junior Art Honor Society (NJAHS) juried exhibition. Nearly 3,000 students submitted artwork to the exhibit, and Meghan was one of only 124 students selected! The artwork of these talented students will take place virtually through the end of August on the National

Submissions were selected by scoring in five categories: Visual Communication, Execution, Formal Elements, Originality, and Artist Statement. According to Mrs. Lisa Encke P'20, director of The Arts and moderator of NAHS, "Meghan's dedication to her development as an artist is truly commendable, especially evident is her commitment to building her portfolio for

AP Studio Art. Over the past four years at IHA, her journey as an artist has been marked by significant growth. Moreover, her leadership role as co-president of the NAHS showcases her ability to inspire and guide others in their artistic pursuits. This recognition at the national level not only highlights her artistic talent but also her commitment to fostering a thriving artistic community here at IHA." Congratulations to Meghan on this prestigious honor.

Ava Evans-Munoz '27

Congratulations to Ava Evans-Munoz '27! The competitive gymnast competed in the USAG NJ State Level 8 competition in March and won All-Around State Champion (37.925), State Bar Champion (9.7), and State Vault Champion (9.575) in her age group. Ava also finished second in the state overall for Level 8 in all age groups combined! This impressive ranking placed her on the NJ State Super 8 Team representing all ages. Ava will now compete against the other state teams at Regionals later this year. At the age of just three years old, Ava started in gymnastics and then was competing by eight years old!

She is now training more than 20 hours per week with a goal of competing in the NCAA. Congratulations to Ava on this tremendous accomplishment!

Italian Class Field Trip

IHA's Italian classes took a field trip on March 12, 2024, to the New Brunswick PAC to see *SEMPREVERDE*, a bilingual

edu-musical by Incanto Productions. Thank you to Mrs. Maria Daly-Valls, world language teacher and Italian Club

moderator, and Ms. Ellen Donoghue '76, guidance counselor, for taking the students on this incredible experience!

Welcome Cillian Patrick Layng to the IHA Family

Mrs. Maureen Layng, English and Theatre Arts teacher, and her husband George, welcomed Cillian Patrick Layng on Sunday, March 31, at 6:56 p.m. Mom

and Dad are overjoyed with their Easter blessing and can't wait for Cillian to meet his extended IHA family!

Living Stations of the Cross

Before Easter, IHA Campus Ministry and members of the Christian Service Board put together an inspiring Living Stations of the Cross ceremony for IHA staff and students. A special thank you to Ms. Heather Christman, theology teacher, for coordinating this touching ceremony. We would also like to thank the IHA Praise Choir, as well as Hannah Hart '24, Carson Bielen '24, Eleanor Quinn '24, Emily Magee '24, Kaitlyn LeSuer '24, Kathleen Reck '25, and Isabella Ragone '26 for their beautiful performance and narration.

IHA Campus Ministry Service Events

Forming students as young women who embody the Gospel is at the center of Immaculate Heart Academy's mission. During their four years, students are continuously invited to dive deeper into their Catholic faith, further their relationship with God, and use their gifts in service to others. Our Campus Ministry program, under the direction of Ms. Emily Ash '19, is off to a busy start this year.

In January, students participated in a benefit for all those affected by the war in the Middle East. IHA students and staff were asked to donate money to help World Central Kitchen, whose volunteers provide meals and access to food for all those impacted by the ongoing violence. In total, the IHA community donated over \$3,000 to help World Central Kitchen continue their mission.

During Catholic Schools Week, IHA traditionally participates in a school-wide charity drive. This year, we collected school supplies for the organization, Pencils for Pula. The drive was led by Emily Magee '24, Giavonna Scialpi '25, and IHA Campus Ministry. The IHA Community provided over 1,000 school supplies in February 2024 to help support fellow students and teachers in need. Thank you to all those who donated.

Also in February, Operation Gratitude made 36 paracord bracelets for our soldiers, bringing the total number of bracelets made over the past four years to more than 1,000! In addition to the bracelets, students write letters to the soldiers and then send everything to Operation Gratitude in California. The paracord bracelets can be attached to a carabiner clip or worn on the wrist of soldiers so they can be kept within reach in the event of an emergency.

Paracord bracelets, also known as survival bracelets, are considered a survival tool because paracord is extremely strong and can hold more than 500 pounds and provide one foot of rope. Bracelets made by IHA students are sent to deployed troops, recruit graduates, veterans, and first responders. According to Luella Yatko '24, "Operation Gratitude is so important to students because it enables us to give back to our country and show the community outside our school how important they are to IHA."

March was also a busy month for Campus Ministry. The Mission Smiles team made cards and gift bags for pediatric patients at Memorial Sloan Kettering Cancer Center. In total, the group of students made over 100 bags and cards! Additionally, students from C.A.R.E (Christian Actions Reaching Everyone) made blankets for patients at Hackensack Hospital. The students made 20 blankets to give comfort to patients in the transplant center at Hackensack Hospital.

Campus Ministry students also attended a Midnight Run in New York City

in March, providing food, clothes, and conversations with individuals experiencing homelessness. Finally in March, Campus Ministry held its annual Easter Drive for Sacred Heart School in Jersey City. IHA students delivered 170 Easter baskets to the school. Thank you to the entire IHA community for your help in bringing Easter joy to the Sacred Heart students!

Our students truly embrace IHA's commitment to service. We are so proud of all that our students have accomplished as they continue to use their amazing gifts in service to others.

Catholic Schools Week

The theme of this year's Catholic Schools Week was "Unity in Faith and Community." What unites our community at IHA is the shared Christian vision of our Faith. As we focused on the value that our Catholic education brings to our students, we used the week to highlight the importance of our entire community. We began with a beautiful Mass presided by Fr. AJ DeSilva and then later in the week, the IHA community joined together for a pep rally hosted by the Student Council. Students had a blast playing relay races, teacher trivia, and musical Hula-Hoops. We also gathered together for an exciting volleyball game between students and faculty. Finally, at the end of the week, we celebrated Faculty/Staff Appreciation Day and Student Appreciation Day. Faculty and staff were treated to an amazing lunch from Park Wood Deli in Midland Park. Thank you to the IHA Parents' Club for coordinating this special day! The IHA administration was happy to deliver cookies at lunchtime to our well-deserving students to round out the end of Catholic Schools Week.

Hot Cocoa Bar for Midterms!

IHA administration and the Parents' Club partnered together to offer a hot cocoa bar to students during the week of midterms! What a sweet treat to help students unwind and get ready for the next exam!

Alma Mater Sing-Off Competition

The Class of 2027 hosted an alma mater sing-off competition in February! Each homeroom performed the IHA Alma Mater and was evaluated by a panel of judges on accuracy, respect, school spirit, memorization, and performance. Tied for first place were homerooms 201 and 208! Congratulations and thank you to the freshman class moderator, Mrs. Maureen Layng, for organizing the event!

Easter Treat

IHA students are never too old for an Easter egg hunt! Special eggs were hidden around Immaculate Heart Academy in March with inspiring messages. Collected eggs were then returned to the guidance office for delicious candy! Ella Feola '25, Olivia Nini '25, Zoe Sarno '25, and Marley Digby '27 were the four lucky winners who found a golden egg and earned a special prize! Thank you to the Guidance Department and College Counseling Department for this fun treat!

Tri-M Music Honor Society Event

On January 11, 2024, Tri-M Music Honor Society held a Master Class with actor and singer Ciarán Sheehan. Mr. Sheehan starred in *The Phantom of the Opera* on Broadway and in Toronto, Canada, singing the coveted role of the Phantom in over 1,000 performances during the course of two and a half years. Mr. Sheehan is the husband of Mrs. Kerri Sheehan P'20, '24, chairperson of the English Department. IHA students were honored to work with Mr. Sheehan and loved hearing Tri-M moderator and choral director, Mrs. Stephanie Foti, sing "All I Ask of You" with the Broadway star. The interactive performance also included a Q&A session with students.

Valentine's Day Messages

On Valentine's Day, inspiring messages and candy were left on every student's locker to show them how much they are loved and appreciated! Thank you to our amazing Parents' Club; Mrs. Sarah Frasure '07, director of advancement & alumni relations, and Mrs. Kelly Tweed '93, assistant director of admissions. for this heartfelt treat!

Speed Dating With Greek Gods and Goddesses

In English I Honors, taught by Mrs. Donna Sandt P'20, '23, '24, students continue to explore different genres of literature throughout the year. During the mythology unit, students adopted the roles of the Greek gods and goddesses of Mt. Olympus and created dating profiles for each. Using the individual online dating profiles, students participated in a "speed dating with the gods" activity that introduced them to the gods and identified the realm, characteristics, and important qualities of each in a unique and fun manner. With this comprehensive background, students are able to think critically while making strong connections and predictions as they read *The Iliad* and *The Odyssey*.

Science National Honor Society Poster Session

The Science National Honor Society (SNHS) hosted its annual Scientific Research Poster Session on March 13, 2024, in IHA's cafeteria.

Members of SNHS, moderated by Mrs. Angela (Holuba) Roberts '05 and Mrs. Lauren Tereshko, selected a recent scientific advancement of great interest to them and composed a poster of their findings.

During the session, students delivered mini-presentations on their research as they would at a scientific conference later in their academic and professional careers. Their fellow presenters and the IHA faculty and staff were invited to view the poster presentations.

Women of Valor Among Us

As part of our celebration of Women's History Month in March 2024, Immaculate Heart Academy recognized a group of students in a lobby display entitled "Women of Valor Among Us: IHA Women Making History Today."

IHA celebrated 13 students who continuously use their unique gifts and talents to make history during their time at The Heart. The featured young women were honored throughout the month of March and were celebrated at a special reception with their families on February 29, 2024.

Each featured student was displayed on a poster that read "We love to see women who ...," highlighting their special characteristics and achievements. Thank you to each of these students who continue to strengthen their Catholic values and grow into empowered, confident, young women prepared to embrace the world beyond Immaculate Heart.

International Women's Day & Day of Giving

IHA celebrated both International Women's Day and our Day of Giving on March 8, 2024. Students were greeted when they first arrived at the school with signs reminding them that at IHA, every day is women's day!

We then started the morning with an inspiring assembly for the entire school. IHA was thrilled to welcome back alumna Kathleen (Donohue) Wright '07 on this important day to speak to the student body about female empowerment, the value of women's inclusion, and the importance of recognizing the incredible achievements of the women of previous generations. Kathleen, who is currently director of production operations at Macy's, stayed after the assembly to talk with students at a breakfast provided for everyone by the IHA administration and office of advancement.

Later in the afternoon of International Women's Day, IHA also hosted our annual Day of Giving Phone-a-Thon. We are incredibly appreciative of all our student callers who did such an amazing job calling the IHA community. We are

also grateful for our generous alumnae, current families, parents of alumnae, faculty, staff, board members, and friends who helped us surpass our donor goal! We are proud to announce that thanks to 619 donors, we raised more than \$103,000. A special thank you to Mr. Thomas Murphy P'24, who generously matched every gift dollar for dollar up to \$50,000.

March 8, 2024, was an amazing day honoring and recognizing the many women who make up IHA's unique and unmatched sisterhood!

ART@theheart Exhibition

IHA celebrated the creativity and artistic talent of local sixth and seventh grade students at its Art@theheart Exhibition on March 7, 2024. Art@theheart enables middle school students to participate in a regional competition, curated by IHA's National Art Honor Society (NAHS), while also offering exposure to Immaculate Heart Academy's outstanding arts program.

Thank you to all our exhibiting artists and art teachers from the following local schools for submitting your beautiful artwork:

Academy of Our Lady
Academy of Our Lady of Grace
Academy of Our Lady of Mount Carmel
The Epiphany School
Immaculate Heart of Mary
Notre Dame Academy
Queen of Peace
St. Anthony
Sacred Heart School

Fifty-two judges juried the exhibition and the following winners were announced at the reception:

Congratulations to all the 2024 Art@theheart winners! A special thank you goes out to Mrs. Lisa Encke P'20, director of the arts and NAHS moderator; Ms. Lauren Rhein '09, director of admissions; and the NAHS executive board members for planning this event.

Narrative Medicine Inaugural Class

What is Narrative Medicine? This topic was explored in the first semester of an inaugural class taught by social studies teacher Dr. Sue Kenney. The course is designed with the intention of increasing students' emotional intelligence and to raise awareness regarding their empathetic connection with others. More than 60 students signed up for this initial class and was therefore limited to seniors for the first year. Narrative Medicine will be offered to additional grade levels in subsequent years.

Dr. Kenney earned a Certificate of Professional Achievement in Narrative Medicine from Columbia University in 2021. She said her inspiration for pioneering Narrative Medicine at IHA came from her value of compassion in the healthcare field stating "this class was so important for me to bring to IHA because I knew students would understand the need for compassionate healthcare. I didn't know how students would react to a class like this, but they rose to the challenge and exceeded my expectations in spectacular ways." Topics studied in the course include the effects of chronic loneliness on health, unsung

Summer VanWyckhouse '24 shared that her inspiration to pursue a career in nursing came after she lost her aunt to cancer when Summer was eight years old. In her final reflection paper, Summer shared,

“Being open minded, having empathy for others, challenging things you see as morally incorrect, and being motivated to help others with your whole heart can truly change the lives of those whom you are serving.”

-Summer VanWyckhouse '24

heroes in healthcare, and the effects of war on medical personnel.

Over the course of the semester, students listened to stories from current healthcare professionals, read and discussed literary and visual texts, and used creative writing to share opinions and personal healthcare experiences with one another. Each student had a personal interest in joining the course, and had the opportunity to reflect on personal experiences that fostered their interest in the medical profession. IHA is proud of the work of this inaugural class of Narrative Medicine and look forward to future semesters!

In her final paper, Alexa Luna '24 demonstrated her understanding of treating patients with humility.

“Understanding your patient as a human being and not a problem to be fixed is prominently the most effective piece of advice taken from my research and work in the course.”

TOWNSHIP OF WASHINGTON, NEW JERSEY

Black History Month

Immaculate Heart Academy observed Black History Month with an inspiring exhibit.

Members of IHA's Black Culture Club created an impressive display in the school's main lobby for the month of February to celebrate Black History Month. This year, the theme was Black Excellence: Achieving Greatness and Establishing a Legacy. The featured women highlighted in the exhibit include, Josephine Baker, Coco Gauff, Michelle Obama, Claudette Colvin, Oprah Winfrey, Misty Copeland, and Beyoncé.

Thank you to the club members who curated the lobby display, especially executive board members: Ella Bosse '24, Cassandra George '24, Alayna Bellevue '24, and Amandagrace Smith '24; and club moderator and physical education teacher, Ms. Shemayne Williams.

Michelle Obama
Former First Lady of the United States

"If you don't get out there and define yourself, you'll be quickly and inaccurately defined by others."

Michelle Obama is most notably known for being the former First Lady of the United States, but she is also an accomplished author and lawyer. She was born on January 17, 1964. She is a key promoter of education, health, and aiding military families. The quote listed above is from one of her most notable novels, *Becoming* where she talks about her journey through the South Side of Chicago to her experience as the First Lady. Her husband Barack Obama was the 44th U.S. President. Michelle also played a role in addressing social issues during her era as the First Lady from 2009 to 2017. Michelle Obama is the perfect example of black excellence achieving greatness!

By Sophia Raina Ditchfield-Agboh

Josephine Baker
1906-1975

"Surely the day will come when color means nothing more than the skin tone, when religion is seen uniquely as a way to speak one's soul; when birth places have the weight of a throw of the dice and all men are born free when understanding breeds love and brotherhood."

Josephine Baker was an American-born French dancer and singer who symbolized the beauty and vitality of the African American culture. She is one of the most successful African American entertainers. She showed how to use her platform to change the world. She was the first Black woman honored in France's Panthéon. She made it her goal for people to live in harmony despite their race.

Coco Gauff

"Always dream big, and don't let anyone limit your dreams because the possibilities are endless."

Caroline "Coco" Gauff is a professional tennis player who won the U.S. Open women's title at age 19. In 2023, she has won seven WTA Tour titles. Association Tour singles titles, including a major at the 2023 US Open, and eight doubles titles. Gauff has high rankings in the world #3 in singles and of world #1 in doubles on the Women's Tennis Association. On top of all this, she was also the first American teen since Serena Williams to reach the quarterfinals of the U.S. Open for two consecutive years. Coco Gauff is an inspiration to many young black women who aspire to play sports. She has great resilience and style and her sportsmanship makes an even better athlete than she already is.

TRACK & FIELD

The IHA Winter Track and Field Team had another spectacular season, filled with championships and school records. For the fourth consecutive year, IHA clinched both the League Championships and County Relay Championships. Abigail Romero '24 was awarded the Most Outstanding Performer of The County Relays, a meet which includes every school in Bergen County. In addition, Abigail broke school records in both the long and triple jump, and teamed up with Piper Portacio '25, Paige Burgess '25, and Sophia Reina Ditchfield-Agboh '24 to break the school record in the 4x200 at The Nike Indoor Nationals. The 4x400 team of Elizabeth Burgess '25, Paige Burgess '25, Veronica Costello '25, and Piper Portacio '25 also placed sixth in the Emerging Elite 4x400 and recorded the second best 4x400 time in North Jersey. Additionally, Julia Sobilo '25 placed fourth at the Non Public A State Championships. The IHA Winter Track and Field Team was also named the Non-Public Bergen County Team of the Year for the 2023-24 season. Congratulations to IHA Track and Field!

BASKETBALL

IHA Varsity Basketball was ranked #3 in North Jersey for the 2023-2024 season! Once again our girls took on all competitors with grit and determination in a highly competitive schedule. A few of our highlights included impressive wins over Morristown, Ramapo, Teaneck, and St. Rose. We recorded another Big North United Championship win, with a 6-0 record in the division. Our State Tournament win versus AHA was one for the ages. IHA was down 18 points late in the second half, but our girls forged ahead to earn the program's twelfth straight trip to the section final. The season ended with a one-point loss to Pope John. The Junior Varsity Basketball Team also had an impressive season, ending with a 14-2 record and the Freshman Basketball Team ended with a 7-3 record. Congratulations to all of our basketball players!

SKI TEAM

The IHA Varsity Ski Team took a huge step forward in 2023-2024. The team was ranked fifth overall in the state, and landed a third place finish in Giant Slalom and Slalom at the State Championships. The Team was able to capture the Non-Public State Girls Championship title and was recognized as the Freedom League Girls Champions. The IHA Ski Team also had three athletes qualify for the Race of Champions, a competition that honors the top 30 athletes from the season. The team was led by Emily Magee '24, Darcy Moore '24, and Amelie Wilday '24, who earned All-League Honors, in addition to Shelby Quiles '26 who earned Honorable Mention. Emily Magee '24 also qualified for the NJ State Team which competed at the Eastern Regional High School Championships held in New Hampshire. The Junior Varsity Ski Team also had a great season, winning the JV State Championships! IHA Ski is looking forward to another successful season. Go Blue Eagles!

BOWLING

It was another amazing year for the IHA Bowling Team. The 2023-24 season included 19 students — the largest number on the team ever. The highlight of the season was winning various tournaments to be named State Sectional Champions! The Bowling Team defeated competitors we have never won against before and also placed second in the Big North League. The girls on the team were always competitive, but more importantly displayed outstanding sportsmanship. They developed their skills so much throughout the year that by the end of the season all of the team members were elevated to varsity status. DANCE TEAM

The IHA Dance Team experienced tremendous success in the 2023-24 season, competing both locally and nationally. Despite a new coach and 75 percent of the team being underclassmen, IHA Dance reached unprecedented heights! The team secured a top 20 placement for Medium Varsity Jazz at Dance Team Union Nationals and achieved second place overall in Varsity Jazz and third place overall in Varsity Pom at various regional competitions. A heartfelt congratulations to all our talented dancers for an exceptional season!

Quarter Two Soaring Eagles

The Soaring Eagle Program recognizes the distinctive accomplishment of one student from each discipline at Immaculate Heart Academy four times a year. Teachers nominate students for achievements that are benchmarks in their academic career or for demonstrating classroom leadership, perseverance, or growth as a student.

Quarter Two Soaring Eagle Award recipients celebrated their achievement with their families, nominating teachers, and IHA faculty and staff at a special reception held on February 2, 2024, in IHA's Information Commons.

Soaring Eagle Quarterly Award recipients are more than students with an impressive GPA; they are students who have distinguished themselves by embodying the ideals of an IHA education. They are enthusiastic, compassionate, creative, and intelligent young women dedicated to personal and academic growth.

Miss Kerry Carroll '04, principal, presented Soaring Eagle Awards to the following teacher-nominated students for demonstrating excellence and working to the best of their ability in a particular subject area (standing left to right in group photo above)

Wellness Wednesdays at The Heart

Wellness Wednesdays are off to a great start at IHA! As part of our ongoing commitment to wellness, the Guidance Department introduced Wellness Wednesdays this school year during each lunch period. Monthly activities include yoga, meditation, therapy dogs, and guest speakers who address topics pertinent to mental health.

IHA's coordinator for the performing arts, Ms. Elizabeth Scully '15, hosted a yoga class for students; Michael Tozzoli, MSW and LCSW from Bergen Mental Healthcare, spoke about ways to combat stress and anxiety with self-care and healthy living; and Ms. Clarissa Torres performed a Sound Bowl Meditation for students.

Our Wellness Ambassadors (pictured in the photo below) help foster a culture of acceptance, support, and compassion within Immaculate Heart Academy. According to Mrs. Tara Maka '02, director of guidance, "Our Wellness Ambassadors promote and participate in all Wellness Wednesday offerings at IHA. Their primary mission is to foster a culture of wellness, promote healthy lifestyle choices, and empower their fellow students to adopt habits that contribute to their overall health and well-being."

Young Alumnae Panel

We were thrilled to welcome back members of the Class of 2023! IHA hosted a young alumnae panel for freshmen on January 4, 2024. The alumnae shared how their experience at IHA prepared them for college and offered insight to help guide their freshman sisters to success. The Class of 2023 also highlighted the importance of self-care and taking advantage of all that IHA has to offer. Thank you to Ms. Lauren Rhein '09, director of admissions and Mrs. Sarah (Hill) Frasure '07, director of advancement & alumnae relations, for organizing this amazing event.

St. Brigid Alumnae Career Panel

IHA Graduates Return Home to Speak With Their Fellow Sisters

Nine impressive IHA alumnae visited their alma mater for an Alumnae Career Panel on February 7, 2024.

After joining the IHA administration, directors, and counselors for lunch, the panel of alumnae spoke to St. Brigid students about their wide variety of careers and what they learned at Immaculate Heart Academy. The alumnae also gave the students advice on how to follow their dreams and find the right career path. Thank you to Ms. Ellen Donoghue '76, guidance counselor and St. Brigid Society moderator, for coordinating this event!

We were thrilled to welcome the following alumnae back home to IHA:

Danielle (Lug) Menken '12

Danielle is the assistant nurse manager of the Heart and Vascular Continuum at Hackensack University Medical Center. She oversees seven cardiac units on the night shift including the cardio thoracic intensive care unit. Danielle is involved in direct patient care, quality improvement, patient experience, and nursing research.

Dr. Angelica Otiepka '09

Angelica is a veterinarian at Banfield Pet Hospital in Paramus. Her current position is in the general practice of the veterinary field. She sees pets for wellness visits, which include exams, routine blood work, and vaccines. She also diagnoses and treats illnesses, performs anesthetic dentals, including extractions, and also performs soft tissue surgeries.

Lauren Foote '17

Lauren is the head athletic trainer at Sarah Lawrence College in Bronxville, New York, an NCAA Division III school in the Skyline Conference. In her role, Lauren provides sports medicine care for 11 NCAA-recognized teams and equestrian. As an athletic trainer, she works with student-athletes to prevent, examine, diagnose, treat, and rehabilitate emergent, acute, and chronic injuries or medical conditions. Lauren has a bachelor of science degree in athletic training from Duquesne University and a master's degree in sports leadership, with a concentration in professional sports administration and collegiate sport administration from Northeastern University.

Kelly Murphy '17

Kelly graduated from Seton Hall as a psychology major. After a brief stint back at IHA to cover for a maternity leave replacement, Kelly went back to Seton Hall to obtain a master's degree in school counseling. She completed her internship at Columbia High School in Maplewood, New Jersey, which subsequently led to her being hired as one of the school's freshman counselors this year. She performs an equal amount of mental health and academic counseling for her students, and is also helping to develop the school's new Freshman Academy Program.

Amanda (Griffiths) Solimando '01 P'27

Amanda is a writer and also a paid essayist for the website Medium. She is currently working toward getting one of her five novels traditionally published.

Madison Kilduff '14

Madison is an experienced communications and marketing professional who has had success in creating strategies to effectively develop and increase brand awareness. She graduated from Rutgers University with a master's degree in communications and public relations, and a bachelor's degree in sports journalism. Madison is currently the manager of Alumni Engagement at Montclair Kimberley Academy. She is responsible for cultivating the interest, engagement, volunteerism, and philanthropic support of approximately 6,000 active alumni. Her main job duties include email marketing, social media, alumni networking, and event planning. Additionally, Madison is a freelancer for the NFL and works on game day production for the New York Giants and New York Jets.

Molly Dudas '15

Molly Dudas is a product design engineer on the Hard Product Innovation Team at Harry's, designing and engineering next-generation razors. She also has experience in designing electric toothbrushes and automated external defibrillator (AED) medical device products at Philips. Molly studied manufacturing and design engineering at Northwestern University.

Ann Marie (Kelleher) Hembrough '89

Ann Marie received a bachelor's degree from Manhattan College in 1993 and then graduated from the physician assistants program at SUNY Stony Brook in 1996. She worked in internal medicine for two years before she transitioned to thoracic surgery at Brigham and Women's Hospital in Boston. Sr. Laura Morgan, Franciscan Missionary Sisters of the Sacred Heart (FMSC), recently had her book, *Saints Behind Bars*, published by TAU Publishing. The book is an account of Sr. Laura's many years of ministering in New York State prisons.

Saints Behind Bars takes readers on a journey to meet some of our incarcerated brothers and sisters who have responded to the opportunity to experience the healing touch of Jesus. Sr. Laura writes, "The powerful words of the Gospel in Matthew 25, 'For I was ... in prison and you visited me,' enables people to break through the stigma of being a 'criminal' and begin to live the promises that Jesus offers to all." *Saints Behind Bars* is available for purchase at taupublishing.com, or you can get an autographed copy by contacting Sr. Laura directly at slmfmsc@mail.com. Congratulations Sr. Laura on your new book!

Georgia Homsany

recently published her book, *You're Not Lazy* — *Change Your Words to Change Your Worth*.

In her book, Georgia explores the impact our words have on our self-esteem, showing readers how self-talk can destroy self-worth. It is said that the average person has 60,000 thoughts per day. Even more surprising is that 80% of those thoughts are negative! In *You're Not Lazy*, learn how to reframe self-talk to boost confidence and live a more empowered life. Georgia is also the founder and CEO of Daily Dose Wellness, a corporate wellness company that provides virtual "wellness breaks" for employees. Congratulations Georgia! *You're Not Lazy* is available for purchase on Amazon or at georgiahomsany.com.

KristaLee (Gentile) Mellott was recently inducted into Bucknell University's Athletics Hall of Fame Class of 2023.

A four-year starter, her career in Division I soccer had highlights such as being a four-time all conference honoree, only the second in Bucknell's history, and graduating in the top three of the program's all-time leaders for points, goals, and assists. When asked for her favorite career moment, KristaLee said, "It was scoring a hat trick on a penalty kick in the eighty-eighth minute against Navy to earn a bid to the conference tournament. That team would then go on to be the first number four seed team to win a conference championship in Patriot League history."

Melanie Harrigan was named to the dean's list at Stonehill College for the 2023 fall semester.

Allie Sandt was named to the dean's list at SUNY Oneonta for the 2023 fall semester. Allie is a music industry major who was recently highlighted in the February 2024 edition of *In Tune Monthly* magazine, an online publication distributed to more than 45,000 middle and high school music teachers and their ten million students. As one of nine students from across the country quoted in the magazine's "Best in Music Schools" section, Allie stated, "My dream job is to do what I do now on a bigger scale! I love writing, recording, and performing my own music, and I would love to be able to do that as a full-time job. With the experience I've had through Oneonta's local music scene, playing with *Seeing Double*, and working with some of my favorite musicians, professors, and mentors here, I am looking forward to graduation in May." Allie is very involved in Oneonta's local music scene, having played with a few bands at local venues. During freshman year, she started a band called *Seeing Double* with other students. While the band is no longer playing together, *Seeing Double* surpassed five million streams of its music on Spotify and Apple Music. Allie has also been the lead singer in a funk ensemble, participated in a few on-campus rock ensembles, and is currently recording her debut EP under the name Allie Sandt with the help of her fellow music industry majors. Congratulations Allie!

WELCOME Class of 2028 Legacies!

Sisters of Past/Present Students and Daughters of
Alumnae to Attend IHA

The extraordinary members of the Class of 2028 were selected
from more than four hundred applicants.

The procedures for those seeking admission to Immaculate Heart Academy require more than simply completing an online application. In addition to taking the HSPT exam in November, prospective students also submit their grades from their last three years of elementary school.

The incoming Class of 2028 includes 25 sisters of past and/or present students, as well as 14 daughters of

alumnae, who will one day share the title of "IHA alumna" with their moms! Additionally, this year we welcome the granddaughter of an IHA alumna — Riley Martucci '28, is the granddaughter of Patricia Killeen '68 and the niece of Patricia Martucci '97.

We cannot wait to welcome our newest students and their families into our sisterhood!

The following members of the Class of 2028 are daughters of alumnae:

Nina Cardella, daughter of Lore (Schmit) Cardella, Class of 1997

Claire Dargan, daughter of Denise (Carolan) Dargan, Class of 1996

Katie Eckes, daughter of Jennifer Kennedy, Class of 1991

Isabella Fitzsimmons, daughter of Yesenia (Chabur) Fitzsimmons, Class of 1995

Margaret Hahn, daughter of Eileen (Barnes) Hahn, Class of 1985

Molly Hardin, daughter of Susan (Machorek) Hardin, Class of 1996

Paige Hesler, daughter of Kerry (Finnegan) Reasoner, Class of 1997
