# President's Corner

Dear IHA Community,

**A**s we embark into the autumn, I am looking forward to a season filled with new beginnings, dynamic changes, and a sense of renewal. While the color of the leaves begins to change, we here at IHA also observe transformations occurring at the start of a new year of school. New students, new courses, new spaces, new friends.

We welcome our Class of 2029 — 176 young women from 64 towns across New Jersey and New York, ready to embrace the sisterhood that is Immaculate Heart Academy.

After a summer of refreshment, our students are well-prepared to tackle their studies, while our committed faculty and staff members are ready to encourage, inspire, and motivate our future leaders to be the best version of themselves.

Thanks to our successful Fund-a-Need at the 65th Anniversary Gala last November, we are thrilled to share that the renovation of our Guidance and College Counseling departments is complete. We are so excited to utilize this common area for students, and we are happy to provide our counselors with upgraded offices and shared spaces.

Additionally, students were surprised to discover a summer renovation of the IHA cafeteria. The newly upgraded kitchen better serves the community with regard to lunchtime offerings, crowd control, and a new grab-and-go

selection. Lunchtime is a treasured time of day for students as it allows for time with friends, unwinding, and a refresh to the day, and I know this upgraded space will benefit all. Finally, the summer break allowed us to complete the much-needed paving of our school parking lot. We invite you to stop by to see all the wonderful changes on our campus!

As our students embrace another year of hard work, vigorous studies, and wholesome memories, we are delighted to have each student back in the building. As president, I remind myself each year that it is a true privilege to witness the sisterhood in action — young women embracing one another and proving that we are always stronger together.

Sincerely,

Jason Schlereth P'27, '28  
President

## Class of 2025 Graduation

IHA's 62nd annual Commencement Exercises were held on May 31, 2025. Congratulations to this inspiring and impressive class!

One hundred forty-five incredible young women received their diplomas from Mr. Jason Schlereth P'27, '28, president; Miss Kerry Carroll '04, principal; Mrs. Alice Rogers P'07, '09, '13, assistant principal of students; and Mrs. Amy Baskin, assistant principal of academics. Including the members of this year's graduating class, 11,333 young women now carry the title of IHA alumna.

Graduates processed into the gymnasium to *Pomp and Circumstance* played by the IHA Orchestra. After a beautiful rendition of the National Anthem sung by Megan McCarthy (Villanova University), the ceremony opened with

Anne Marie Kelly (Bucknell University), Student Council president, offering the invocation and Allison Egan (Columbia University), salutatorian, giving a thoughtful welcoming address. In speaking about the incredible sisterhood and support system at IHA, Allison said, "I now know the community we have built here will never fade. Sisterhood isn't confined to the four walls of IHA. It exists within each of us, in our bonds with each other and in the support we continue to give to each other, even though we won't see each other in class every day. By continuing to be ourselves and share our unique gifts with the world, this community only grows. I have been and continue to be impressed with everything my classmates have accomplished. You are each uniquely beautiful human beings, with kind hearts, inquisitive minds, and abundant talent."

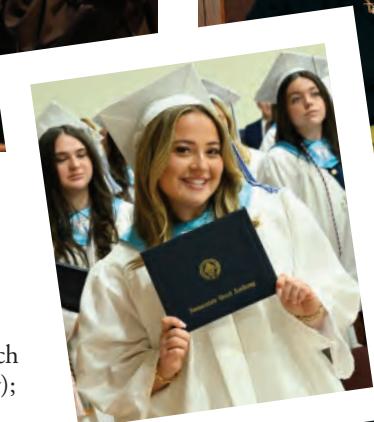

Mrs. Aileen (Daniels) Weese '08, vice president at J.P. Morgan, served as Commencement Speaker. Aileen received a Bachelor of Arts from Brown University, where she played Division I basketball and later earned a Master's in Business Administration from the Wharton School of Business. Aileen told graduates, "I know you've been told, just like I was, that 'you are the future.' Yes, that's true, but that implies your power and value lie in some nebulous and distant future state; that the value you bring to the world has yet to be determined.

But, in this climate in particular — educated, engaged, and vocal women are a political, economic, and religious necessity — and you all fit that bill. So we need you today, and while it may not feel like it to you, everyone in this room knows you're up to the task!"

Diplomas and special awards were then distributed to members of the Class of 2025. We invited alumnae mothers to present diplomas to their graduating daughters, a tradition IHA will continue for years to come. Mothers who distributed diplomas to their daughters included Bridget (Daul) Kelly '90 to Anne Marie Kelly (Bucknell University); Mary Beth (Coyne) Mulry '91 to Lauren Mulry (Boston College); Stefania Gasparro '93 to Allessandra Nazor (University of Michigan); Mariann (Smith) Odierno '93 to Katherine Odierno (Indiana University Bloomington); Elizabeth (McDonald)

Ryan '84 to Katherine Ryan (Rice University); Christina (Houghton) Sollecito '90 to Bergen Sollecito (Clemson University); Kourtney (Gallo) Zorovich '96 to Scarlett Zorovich (Ramapo College of New Jersey); Christine (Cabrera) Capizzi '89 to Caitlyn Capizzi (Clemson University); Laura (Bonner) Connors '94 to Avery Connors (Bucknell University); Allison (Stapienski) Dalessandro '87 to Grace Dalessandro (Seton Hall University); Selene (Maugeri) DelJuidice '90 to Victoria DelJuidice (University of South Florida); Gena (Caputo) DeVirgilio '94 to Victoria DeVirgilio (Loyola University Maryland); Catherine (Mondare) Donovan '91 to Caitlin Donovan (Northeastern University); and Sheri (Saingas) Malenda '92 to Zoe Giacomini (Catholic University of America).

After diplomas were presented to each graduate, several students were honored for a variety of accomplishments in and out of the classroom. We send heartfelt congratulations to the 2025 IHA Award winner, Isabelle Bertussi (Villanova University), and the many other award and scholarship recipients recognized at this year's Commencement Exercises. Following the award presentation, Mr. Jason Schlereth addressed the graduates and guests by encouraging students to stay true to who they are, "Be unapologetically you. There is no one

else on this earth who is you. Be who you are and don't apologize for it. Be kind to yourself and embrace what makes you different from others, and in doing so, surround yourself with the people who love you, who cheer for you, who celebrate you, and who believe in you. Live the life you wish, the way you wish to live it; not how others tell you to live it."

Class of 2025 valedictorian, Lana Langevin (Rutgers University), delivered an inspirational farewell address and offered advice to her fellow classmates as they embark on a new journey: "It may seem cliché to say that there are limitless opportunities, but it's the truth. Going off to college means a slew of new experiences and new chances to take. Just as we've learned to be fearless amongst our support system here, that fearlessness does not have to be diminished in the new world we are about to take on. Instead, as our brave sisters before us have demonstrated: change your major, go abroad, join a club, say yes to a new friend, say no to something that doesn't serve you, change your major again. Use all that we've learned at this moment, but

allow ourselves to grow, make mistakes, and then grow again. We don't have to be perfect, we just have to be."

At the end of the graduation ceremony, Katherine Ryan (Rice University) led her classmates in the school's Alma Mater before IHA's newest alumnae exited the gymnasium.

Members of the Class of 2025 received more than \$38 million in scholarship awards and will be continuing their education at some of the most esteemed colleges and universities in the country, including Villanova University, Georgetown University, New York University, Tulane University, University of Virginia, Boston College, and Columbia University.

Forty-five students are attending Catholic institutions, 16 students are attending schools in New Jersey, and 40% are attending colleges and universities outside of the northeast, with Virginia and Florida among the most popular states in that region.

Ninety-four percent of the students in this class were admitted to their first or second-choice college, and 100% were accepted to a four-year college. Some of the most popular choices this year include Fairfield University, James Madison University, Seton Hall University, Sacred Heart University, Bucknell University, Virginia Polytechnic Institute of Technology, and Villanova University. One student will be studying internationally at Constructor University in Germany.

# A Cherished Tradition for Silver and Suarez Memorial Award Winners

Memories continued to be made several days after graduation when Basketball Coach Steve Silver and his wife, Michele, welcomed to their home the recipient of the Jeffrey E. Silver Memorial Award, Sofia Valente '25, and the recipient of the Marisa A. Suarez Memorial Award, Madeline Hayes '25. This annual tradition has allowed the Suarez and Silver families, sponsors of both awards, to meet the recipients and their families.

The Marisa A. Suarez Memorial Award, established by the Suarez Family and IHA Soccer alumnae, honors Marisa — a loving daughter, granddaughter, sister, aunt, and godmother who died suddenly in December 2016. Marisa was an extremely talented athlete with an engaging and caring personality. She had a zest for life and found great joy in the camaraderie and friendships of her teammates. This memorial award is presented annually at graduation to the student who has demonstrated characteristics much like Marisa.

The Jeffrey E. Silver Memorial Award was established in 2011 by the Silver Family in honor of Jeffrey, a loving father, son, and brother, who died suddenly in April 2010. Jeffrey was generous with his gifts of time and talent, loved sports, and always demonstrated outstanding citizenship, sportsmanship, and loyalty to his family and friends. This award is presented annually at graduation to the student who has demonstrated characteristics much like Jeffrey.

At the gathering, the Silvers and Suarezes were happy to share memories of Jeffrey, Steve's late brother, and Marisa '02, daughter of Lucia and David, for whom these awards are given in remembrance. Former IHA soccer stars Erin (Engelhardt) Meccia '00 and Gloria (Fontanetta) Stak '00 attended, along with IHA Varsity Soccer Coach Eric Pfeifer and his family, and Coach Fuchs.

# Baccalaureate Mass & Awards Ceremony

The parent/daughter groups participated in thought-provoking guided discussions and the evening concluded with parents praying over their daughters, asking for God's guidance as they leave IHA.

The evening was a beautiful occasion to celebrate family, sisterhood, and the incredible gifts and talents of the Class of 2025. Thank you to IHA Campus Ministry for hosting this memorable event.

# Service Awards Ceremony

Service at Immaculate Heart Academy is more than just something that is required; it's a central part of who we are. Students regularly put their Faith into action by serving their community and ministering to people in need through a wide variety of service opportunities. To recognize their efforts, IHA held its annual Service Awards Ceremony on May 6, 2025, and celebrated 103 students and two faculty members for their inspiring commitment to service.

Ms. Emily Ash '19, theology teacher and director of Campus Ministry, discussed why IHA is proud to recognize their service, "We celebrate because in a world that defines accomplishment by Instagram likes, TikTok views, and going 'viral' — you girls live as the complete antithesis of that through your service. You don't strive to be cool in the way the world wants you to be, you strive to be cool in the way that Jesus wants you to be. You don't strive to make yourselves known; rather, you strive to make God's presence known in the lives of others, and ensure that every person you serve knows they are seen, known, and loved by God, but also by you."

IHA is proud to announce that our students served more than 31,000 hours during the 2024-2025 school year! IHA's young women go above and beyond what they are required to accomplish. In fact, on average, our students served double

the amount of hours required of them. The highest-achieving class was the Class of 2026, with a total of nearly 11,000 hours.

At the awards ceremony, IHA celebrated more than 70 students for achieving the President's Volunteer Service Award at the Bronze level (100-174 hours per year), 15 students at the Silver level (175-249 hours per year), and 15 students at the Gold level (250 and more hours per year). Congratulations to the top three service hour earners: Chloe Kadien '25 (825 hours), Isabella Ragone '26 (668 hours), and Lana Langevin '25 (358 hours).

This year, we also recognized two faculty members for their hours of service they have given to the community:

**Mr. Gregory McDonald,**  
**mathematics teacher** - Gold  
 Presidential Service Award

**Ms. Megan Olsen,** **social studies teacher** - Bronze Presidential Service Award

During the Service Award Assembly, Isabelle Bertussi '25, the service president for the Christian Service Board, reflected on what service truly means to her, "Service is so much more than numbers and deadlines, and although it may be a tough pill to swallow, it is not necessarily about us either. It is simply about how we can act as closely to Christ as possible in order to spread his love and learn from the people we serve."

Students also heard inspiring speeches from Kathleen Reck '25, spirituality president for the Christian Service Board, and Miss Kerry Carroll '04, IHA principal. After the awards were presented, the IHA community viewed a video montage of service photos from the year created by Emma McElroy '25, sisterhood president for the Christian Service Board. Recipients and their families were invited to a celebratory reception afterward. Thank you to everyone in Campus Ministry for continually inspiring the IHA community with their passion to serve others.

## SPOTLIGHT On... BELIEVE. Conference

Each newsletter, we plan to spotlight one of the many incredible programs or events offered at Immaculate Heart Academy. The profile in this newsletter is on our inspiring Catholic Women's Leadership Conference.

Students of IHA recently attended our BELIEVE. Conference at Crystal Springs Resort in Hamburg, NJ on August 6-8, 2025. This year's theme was, "Beloved, you belong." As part of this theme of being rooted in the identity of being a daughter of God, students were reminded that they belong where God has placed them, and that IHA continues to make our school a place where everyone knows they belong to our amazing community of sisterhood.

At this year's conference, students celebrated this sisterhood and participated in prayerful reflection, inspiring discussions, and so much more! Over the course of three days, students strengthened their relationship with God through prayer and thought-provoking workshops. They attended Mass and Eucharistic Adoration, listened to touching guest speakers, and of course, took advantage of the beautiful facilities at Crystal Springs Resort.

Part of the BELIEVE. Conference included a special dinner that focused on the gifts of community and sisterhood. Students decorated a gift bag with their name on it so that their fellow sisters could write a note describing the amazing gifts and talents they see in their sister. By the end of the weekend, everyone had a bag full of affirmations! Another favorite activity was teaming up with prayer partners. Each student received a prayer partner to keep in mind and pray for throughout the weekend in private. The students also made a friendship bracelet

with a word that described a gift they saw in their prayer partner. At the end of the weekend, all the students traded bracelets with their partners as a way to reveal who they had been praying for and to celebrate the ways in which they each share their gifts with the IHA community.

Another favorite activity at the conference was the Sisterhood Circle, which is meant to provide the students with a space to verbally affirm each other. Students volunteer to enter the center of a circle to call out the good that they see in a specific sister.

According to Emily Ash '19, theology teacher and service coordinator at IHA, "It is so beautiful to witness our students embrace the theme of BELIEVE. and be so eager to carry all that they have experienced back to IHA. By embracing this message and their identity as beloved daughters, our students continue to create a culture of belonging at IHA. Whether it is praying for their friends, making friendship bracelets, or just encouraging each other — students not only know they belong, but strive to ensure their sisters know the same."

Another captivating part of the conference was the keynote speeches from Emily Ash '19; Veronica Marrinan, co-founder and creative director of Litany NYC, a Catholic fashion company; Ms. Nicole Clermont, theology teacher at IHA; and Mrs. Lauren Meyers, theology chair and teacher at Marian High School in Indiana and former teacher at IHA.

Mrs. Meyers spoke to students about this year's BELIEVE Conference theme, "Your identity as beloved is not a prize that you win by your own righteousness. It's not a status that you achieve. It is a

gift of the Father who delights in you, who even in your failures is not just patient with you, but is pleased with you."

Thank you to the IHA administration and Ms. Emily Ash '19 for this inspiring Gospel-centered weekend! We are also grateful for the many chaperones and keynote speakers who devoted their time to help foster this amazing community of sisters.

# Campus Ministry Service to Those in Need

**O**n March 21, 2025, IHA students attended their fourth Midnight Run of the 2024-25 school year. Students traveled to New York City to provide food, clothes, and conversations with individuals experiencing homelessness.

In addition to these Midnight Runs, Campus Ministry also held its annual Easter drive and visit to Sacred Heart School in Jersey City. On April 8, 2025, students spread Easter joy to Sacred Heart students and delivered more than 160 goody bags filled with special treats. Due to the many generous Easter Drive donations, students were able to fill each bag with picture books, puzzle books, chocolates, bracelets, and other fun items for each grade level.

A special thank you to Ms. Emily Ash '19, director of Campus Ministry, and

students from the Campus Ministry executive board for coordinating all of these heartwarming events. We are also grateful for our chaperones, Ms. Nicole Clermont and Ms. Jillian Hynes; Ms. Lauren Foote '17 and her father, Mr. James Foote, who was our very own Easter bunny for the visit.

Our students truly embrace IHA's commitment to service. We are so proud of all that our students have accomplished as they continue to use their amazing gifts in service to others.

# Mission@theheart 2025

Early 75 students at Immaculate Heart Academy gathered on the weekend of February 28 through March 2, to attend IHA's inspiring mission trip. The main goal of Mission@theheart is to expose students to different vulnerable populations in the hope of encouraging students to use their gifts in service to others. The homebase for this flagship IHA service event was at

Camp Shiloh in Hewitt, New Jersey, but students traveled to different parts of New Jersey and New York to put their mission trip into action.

On the first night of this three-day trip, students focused on furthering their relationship with God through a prayer service and Eucharistic Adoration, followed by group meetings and bonding activities. On Saturday, our young women began the day by creating Mother's Day cards for the mothers supported by Several Sources Shelters in Ramsey. Later in the day, students visited New Hope Pregnancy Center in Westwood to help assemble care

packages for pregnant women and single moms. Ms. Emily Ash '19, director of campus ministry, said, "each of these service opportunities were in support of mothers who have made the courageous and beautiful choice of life and love for their children." Ms. Ash went on to say, "It didn't matter which task our students were working on, as long as it was done with love, they were authentically serving a neighbor in need."

Also on Saturday, students visited Camp Acorn in Mahwah to help with the social enrichment programs the camp offers for individuals with developmental disabilities. Later in the evening, they all prepared for a Midnight Run in New York City where the students provided food, clothes, and conversations with individuals experiencing homelessness.

According to Lana Langevin '25, vice president of the Campus Ministry executive board, "I attended Mission@theheart 2025 because there is no better way to serve God than to serve those most vulnerable in the community, and getting to serve with my IHA sisters made the whole experience just that much better. From the Midnight Run to Camp Acorn, I experienced a multitude of service opportunities alongside girls from every grade, getting to know my sisters better while seeing God's light pour through each and every one of them."

On Sunday, students assembled care packages that were distributed to patients at Hackensack University Medical Center and made cards for hospice patients at Villa Marie Claire in Saddle River. The weekend ended with a Mass and reflection time for key take-aways from this year's Mission Trip.

Abigail Bennett '26, one of the many students that attended Mission@theheart, summed up this weekend perfectly, "I went on Mission@theheart because serving God's people is a call that we all must answer in one way or another. Serving with my friends has been a vital part of my life at IHA and I could not be more grateful for the experience."

We are truly Blessed for all of the students that followed God's call to serve others on this Mission Trip and thankful to Ms. Emily Ash '19 and our many chaperones, including IHA teachers Ms. Jessica Giglio, Ms. Katharine Ross, Mr. Gregory McDonald, Miss Claire Burke, Ms. Nicole Clermont, Mrs. Renee Thunell, Ms. Megan Olsen; IHA principal, Miss Kerry Carroll '04; and Ms. Lauren Foote '17 and her father Mr. James Foote.

#### This year's theme of Mission@theheart

*"Christ has no body but yours,  
No hands, no feet on earth but yours,  
Yours are the eyes with which he looks  
compassion on this world,  
Yours are the feet with which he walks to do good,  
Yours are the hands with which he  
blesses all the world.  
Yours are the hands, yours are the feet,  
Yours are the eyes, you are his body.  
Christ has no body now but yours ..."*

In its 40th year of honoring the nation's most elite high school athletes, Gatorade named Gabriella Shadek as the 2024-25 Gatorade New Jersey Softball Player of the Year. The award recognizes not only outstanding athletic excellence but also high standards of academic achievement and exemplary character demonstrated on and off the field. The Gatorade Player of the Year program annually recognizes one winner in each state across 12 different high school sports.

Gabriella joins an impressive group of award winners that spans CEOs, coaches, and star athletes. IHA's 5-foot-8 senior catcher batted .517 with 13 home runs and 34 RBI this past season, leading the Blue Eagles (24-2) to the Non-Public North Jersey, Group A Tournament championship game.

She also walked 38 times this spring and connected for nine doubles, compiling a .704 on-base percentage and a 2.021 OPS. Defensively, the 2024 North Jersey Softball Player of the Year neutralized opposing running games, throwing out 6-of-15 would-be base stealers and picking off five runners at first base.

## 1,000 Points Milestone

Sofia Valente '25 reached an impressive milestone this past basketball season. The IHA shooting guard scored an impressive 1,000th point at a game against Morristown Beard School on February 28, 2025. ## Raising Awareness About Hunger

Clare Wenzke '26 is raising awareness and support for those facing hunger in the local community by developing the Fill, Feed, Feel (F.F.F) Pantry Project. As part of her efforts, Clare worked with St. Anthony's Parish and School to collect cans of food for the Parish's food pantry. In just over one week, she was able to collect over 1,000 canned goods to help those in need. According to Clare, "I began this project as a way to bring awareness to the support needed by those facing hardship. I wanted to draw attention to the issue of hunger and provide a convenient way for people to help during the Easter season. This is so important to me because I want to make sure that all people are given adequate access to food and the things they need to survive." Clare hopes to complete this drive again next year and then pass it on to her younger sister, Grace Wenzke '28. We are so proud of Clare and her dedication to her very own F.F.F. Pantry Project!

care programs. We are so proud of the IHA Softball Team's commitment to honoring Coach LaRezza! According to Rylee Smith '25, "We feel this event is so important because it honors the memory of a beloved coach, brings the IHA community together in support of a noble cause, and raises awareness and funding for the fight against childhood cancer."

### 13th Annual Autism Awareness Day

The team raised nearly \$1,000 at the event with all proceeds benefiting the Epic School — A non-profit school in Paramus for individuals with autism spectrum disorders. The annual day sponsored by IHA Lacrosse was started in 2013 by Samantha Marmo '15 to honor her younger sister Madison. The day started out as a game of awareness and over the years grew into an inspiring fundraising event for the EPIC School, where Madison attended before she passed away in 2023. We are so proud of

IHA Lacrosse for continuing to spread autism awareness through this important day every year in Madison's honor.

Afterward, the students went on a tour of the 65-rooms and 14 bathrooms of

the Beaux-Arts mansion at this historic site. The mansion is set on 192 acres overlooking the Hudson River. The weather was perfect for the BCC's first outing and everyone really enjoyed the day! IHA was proud to honor and recognize the many women who make up IHA's unmatched sisterhood as we celebrated both International Women's Day and our Day of Giving on March 10, 2025.

The morning started with an inspiring assembly for students and staff as Anne Marie Kelly '25, STUCO president, began with a message to her fellow sisters about how they are all making positive contributions to society.

The IHA community was thrilled to also welcome back alumna Wendy Plaut '94 on this uplifting day to speak to the student body about the importance of empowering women. Wendy, who is currently senior vice president of Music & Celebrity Talent for Paramount Media Networks and MTV Entertainment Studios, stayed after the assembly to talk with students at a breakfast provided by the IHA administration, office of Advancement, and Parents' Club.

Later in the afternoon of International Women's Day, IHA also hosted our annual Day of Giving Phone-a-Thon. We are also grateful for our generous alumnae, current families, parents of alumnae, faculty, staff, board members, and friends who donated to support our amazing students.

# SCENE | Around IHA

## Wellness at The Heart

The IHA Guidance Department continued its ongoing commitment to support the mental health of our students. Through its Wellness Wednesday program and other activities, students learned about the importance of self-care and ways the entire IHA community could foster our Stigma-Free philosophy as it relates to mental health. Monthly activities included creating liquid glitter jars as a powerful tool for managing anxiety and creating yogurt parfaits to take a mindful break during the day and enjoy something nutritious.

Students also painted Serenity Stones at lunchtime as the stones are believed to promote calmness, peace, and emotional balance, offering a sense of well-being and tranquility. Once a month, therapy dogs also visited IHA to help give students time to ease stress and uplift their mood. Additionally, various mindful activities were planned for students each day during the month of May in honor of Mental Health Awareness Month. Thank you to the entire IHA Guidance Department for all of these efforts to help support our students.

## College Week at IHA

The IHA College Counseling Department is dedicated to ensuring our students have all the information they need to make the important decision on which college to attend after graduating from IHA. In April 2025, the department kicked off its annual College Week with a presentation for business majors and how those majors can lead to a variety of career opportunities by Mr. Kevin O'Sullivan and Dean Rosemary Rubbo of Iona University. All students were

then treated to a mini college fair of various Jesuit institutions during the school day and then a full college fair at night with more than 50 schools from across the nation. Junior students were also able to sign up for mock interviews to help prepare them for this important part of the admissions process. Later in the week, the College Counseling Department and Mrs. Amy Baskin, assistant principal of academics, took several students on a tour of Providence College, Stonehill College, and Bentley University; they also visited Boston College where they met up with IHA alumna, Emily Magee '24! The week concluded with a panel of current seniors who shared real life scenarios and advice about what they went through during the college application process. Thank you to Mrs. Melissa O'Sullivan, director of College Counseling, Mrs. Corinne Fritzky, college counselor, and Mrs. Alison Anderson, Guidance and College Counseling secretary, for putting this important week together for students and their parents.

The students designed the automatas as a toy for children aged 5-12 years old. Part of the project included designing and 3D printing a cam to transform rotary motion into linear motion. Separately, students in their Engineering Design 1 class designed and created beautiful keepsake boxes using 3D printers. One of the students even designed a box to hold treats for her dog, Kincaid! Thank you to Mrs. Theresa Dolan '95 for these fun & engaging class projects.

## Future Doctors of America

## Sisterhood Sneak Peak

Immaculate Heart Academy welcomed members of the Class of 2030 to our first-ever Sisterhood Sneak Peak. Meghan Long '26 started the day off with some advice for our 7th grade visitors. Students were then split into groups where they learned about the incredible sisterhood at IHA from Emma McElroy '25, and our inspiring service and Campus Ministry activities from Isabelle Bertussi '25. The day would not be complete without a special cookie at locker break, followed by classes in the art room, TV studio, gymnasium, and Performing Arts Center. The 7th graders were then treated to lunch at the end of the day. We are so excited to welcome the next generation of Blue Eagles to Immaculate Heart in 2030. Thank you to Ms. Lauren Rhein

At this year's IHA Spring Arts Festival, Bridget Dooley '26 was awarded the

Mary Ellen "Molly" Offer '06 Memorial Scholarship Award. This award is presented in memory of Mary Ellen (Molly) Offer, a graduate of IHA's Class of 2006 and the youngest of five sisters who are all IHA graduates. This memorial scholarship was established by her parents and sisters. It is the intention of the family that this award be presented to a student who typifies the qualities so loved in Molly: A student who loves art, theater and design, has a deep love for family, and is willing to share compassion, spiritual values, and love of life with everyone she meets. Congratulations to Bridget on receiving this special scholarship!

Thank you to the Tri-M Music Honor Society, the National Art Honor Society, the International Thespian Society, the concert production team, and all of our artists and performing artists who shared their talent with the IHA community!

## LACROSSE

The 2025 IHA Varsity Lacrosse season was about more than what showed up on a scoreboard. It was about the grit, heart, and relentless effort the team brought every single day. Ranked third in Bergen County, IHA Lacrosse players did not just wear the IHA jersey — they honored it. The team played for each other, not for recognition, and that made their bond of sisterhood grow even stronger. We are incredibly proud of IHA Lacrosse for a season full of pride, toughness, and unforgettable moments! For its part, the JV Lacrosse Team also developed long-lasting friendships as the team supported and encouraged each other throughout

the season. The JV team was great on defense and played tough against some of the top teams in New Jersey. The team was led by a strong group of four sophomores who supported younger players to embrace the confusing zone defense process, complete the dreaded buddy sprints, learn the fun conditioning game of Log Tag, and embody the heart of IHA by never giving up on the field, no matter the score.

## BOWLING

Once again, the Varsity Bowling Team had an amazing season. Our record was 49-28, placing second in the League. This has been the best record for IHA Varsity Bowling in the past nine years. Additionally, the Bowling Team reached another milestone by placing sixth in the County Tournament before moving into the second round of the State Sectionals. With an awesome group of seniors and juniors, this team made an impact at the lanes and among the many teams we played during the season.

The Ice Hockey Team had another strong season, with an overall record of 11-3 and a 7-0 start. Our senior athletes did a great job not only contributing on the ice but did so off the ice as well encouraging their fellow teammates to finish a solid regular season with an impressive playoff run.

IHA Hockey started the state tournament with a dominant 9-2 win over Oak Knoll and then advanced to the semifinals with a nail-biting 1-0 victory over Trinity Hall. For the second year in a row, the team made it all the way to the state final game at the Prudential Center! Unfortunately, the big game ended with a tough loss against Princeton Day, but we are proud of the team's effort throughout the season and are looking forward to another year of IHA Ice Hockey.

## SKI TEAM

The Ski Team carved out a strong and memorable season, laying the groundwork for a bright future. The team wrapped up the 2024-25 season in fifth place overall in the state for Non-Public New Jersey Girls Schools. At the heart of it all were our captains, Samantha Sundlin '26 & Shelby Quiles '26, who served as the anchors and mentors of the team. Their leadership, positivity, and example set the tone for a great season. Although the majority of the team was young, their determination, steady progress, and unwavering support of each other made this year something special.

From practices to race days filled with adrenaline and teamwork, every skier showed growth — not just as athletes, but as teammates. What truly defined this

season was the bond these Blue Eagles built. Whether celebrating a personal best or helping a teammate bounce back after a tough run, their support of each other was inspiring.

The team's commitment, sportsmanship, and passion for the sport were remarkable. We are eagerly looking forward to next season; winter can't come fast enough for this team!

## DANCE

# IHA Students Visit Spain and France

By Arianna George '27 and Madeline Schlereth '27

After completing finals and kicking off summer vacation, 38 IHA students embarked on the annual IHA Europe Trip from June 18-27, taking an unforgettable journey to Spain and France. The trip, which we had looked forward to for a whole year, proved to be everything that we could have hoped for and more! Our journey was organized by world language teacher Ms. Ana Echeverría P'05 and chaperoned by Ms. Ellen Donoghue '76, guidance

counselor; Mrs. Maria Daly-Valls, world language teacher; Mrs. Jeannine Woolley P'20, director of studies; and Mrs. Donna Sandt P'20, '23, '24, English teacher.

We started our adventure in Madrid and met our witty and knowledgeable tour guide who shared what to expect throughout the trip before jumping right into a sightseeing tour. Our first two days were spent exploring the streets of Madrid, including visits to iconic

landmarks such as the Plaza Mayor, Retiro Park Lake, and Royal Palace of Madrid, as well as the Prado and Reina Sofia Museums. Our group also had the chance to enjoy some authentic Spanish paella, the nation's unofficial dish, before taking a walk to the historic Chocolatería San Ginés to sample the famous chocolate and churros.

We next visited the city of Toledo, a UNESCO World Heritage Site, where narrow roads with a charming atmosphere made us feel like we had traveled back in time. Our local guide walked us through many of Toledo's most noteworthy sites, including a Gothic Cathedral, the Church of Santo Tomé, and a historic Medieval Synagogue,

highlighting the city's significant connection to Judaism, Christianity, and Islam. To wrap up our time in Toledo, we put our chef hats on for lunch and participated in a professional Spanish cooking class, which turned out to be a highlight of the trip.

The next leg of our trip brought us to the city of Bilbao, where we had the chance to practice speaking the unique Basque language. While there, we visited the Guggenheim Museum, which was full of unique modern art pieces, before continuing on to the coastal city of San Sebastián, also called Donostia in Basque, for a group dinner at our hotel. The next morning, we met up with a pair of local guides who first brought us to the Miramar Palace, the former summer residence of the Spanish monarchy, to enjoy breathtaking views of the coast before continuing on a sightseeing tour of the city. To end our time in Spain, we enjoyed the picturesque coastal streets on our own and sampled some of the Basque's regions renowned pintxos, which are akin to Spanish tapas and a staple at many local bars and restaurants.

We then crossed over the French border and made our way to the coastal city of Biarritz, where we enjoyed a dip in the Bay of Biscay and a stroll down the scenic boardwalk. That night, we enjoyed our first taste of French cuisine at a local restaurant. Though Biarritz was truly breathtaking, we were all incredibly excited to board the high speed train that would take us to Paris the next morning!

Upon our arrival to Paris, we began our sightseeing immediately with a visit to the Opera district to enjoy lunch, a stunning view of the city from the rooftop of the Galeries Lafayette department store, and a unique tour of the Fragonard Perfume Museum. We then returned to the hotel to get ready for a night that was sure to be a highlight of the trip as we visited Paris' most iconic landmark. Making our way to the Eiffel Tower, and seeing Paris in all its glory, the excitement in the air was truly palpable. After a quick elevator ride to the tower's top floor, we enjoyed an unparalleled view of Paris at night as the buildings around us seemed to glow. On the ground again, we gathered together to watch the Eiffel Tower glow, a

truly magical moment that will define the trip in our memories forever.

The next morning, we met up with a local guide and toured the beautiful Luxembourg Gardens, home of the seat of the French Senate. From there, we visited many of Paris' most iconic landmarks, including the Arc de Triomphe, the Luxor Obelisk, and Les Invalides. We then made our way to the Musée d'Orsay, where our guides introduced us to a variety of works by such famous artists as Monet, van Gogh, and Manet. We closed off a busy Parisian day with a visit to the banks of the Seine for a relaxing, hour-long sightseeing river cruise.

We began our final day with an excursion to Versailles, which was just as grandiose and awe-inspiring as we had learned in history class. The sheer splendor of the palace's exterior was enough to give us a hint of just how extravagant the interior would be. Our group had the chance to stroll through Versailles and explore the famed Hall of Mirrors, expansive grounds, and intricate gardens, including Marie Antoinette's Hamlet. The highlight of our visit to Versailles was our hour-long bike ride through the gardens, ending with a fun visit to the gelato cart.

Back in Paris, we had the chance to visit the newly renovated Notre Dame during Mass and light votive candles for our own special intentions. Afterwards, we took the Métro to Montmartre, passing by the famous Sacré-Cœur Basilica on our way to our final meal together, which included French staples such as escargot and chocolate mousse.

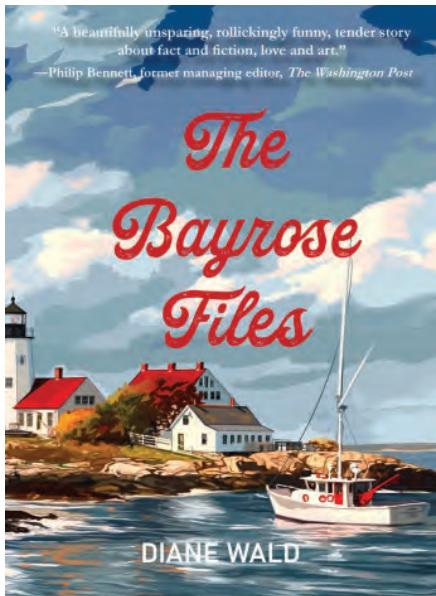

On our way to the airport the next morning, everyone was feeling somewhat bittersweet, upset that our trip had come to an end but also excited to go home to share our stories and memories with our loved ones. Our European journey had been packed to the brim with once-in-a-lifetime experiences, cultural immersion, and bonding experiences, and there was no denying that we had done and seen everything we could have hoped for during our ten days abroad. So, though the trip itself has come to a close, it has also sparked a new desire within us all to continue traveling, exploring, and learning, setting us up for a lifetime of continued discovery.

# CLASS notes

**'76**

**Eileen (Ronner) Kulha** recently ran into a sister from the class of 1999 and wanted to share this note reflecting on the amazing sisterhood at IHA. "Dear alumnae, I've been thinking a lot recently about my days at IHA which were long before the days of cell phones and social media. I made friends there that are still close to me and will be forever. But there is one other thing that has had me reflecting on those years and that is running into fellow IHA graduate **Tiffany Franzone '99**. I've been working a part-time retirement job at the YMCA Welcome Desk in Red Bank. I talk to so many people but one day there was a woman at the desk talking to my coworker and I heard her mention Bergen Catholic, and, of course, it caught my ear. We started talking and then realized we were both graduates of IHA. Since that day, I feel a connection to her that only a woman that has walked the halls of IHA could feel. There is a special bond built in those four years that is so much more than we realize at that time and I will forever be grateful! As we begin to plan our 50th reunion for next year, I would only hope that our past alumnae as well as our future alumnae feel the same way on their own path of life."

The vibrant artwork of **Serena Bocchino** was prominently displayed in the heart of New York City on November

21, 2024, as her abstract artwork was showcased on one of the world's most famous digital billboards. For the entire day, three of her dynamic paintings were digitally featured above the Pelé Soccer storefront at 1560 Broadway in Times Square. Her bold and colorful works of art are titled, *Star Power*, *Move Forward*, and *Rivers of Living Water*. Serena and fellow 1978 classmate, **Mary Rose Sansevero**, visited Times Square together to see the display. **Maeve Ward** and Riley Leder were engaged on June 15, 2024. The couple plan to marry in September 2025 at Saint Elizabeth's Church in Avon, NJ. Along with planning a wedding, Maeve and Riley purchased their first home in Middletown, NJ. They are looking forward to many gatherings hosting family and friends — including her IHA sisters.

**Christina Sollitto** recently spent time with the women of Carolina's Weaving Cooperative in San Antonio Aguas Calientes, Guatemala. During her stay, she learned about the weaving process that has been passed down by the Maya peoples through generations, as well as the significance of traditional dress including los huipiles (intricately woven blouses) and los tzutes (intricately woven shawls given by a married woman to their mother-in-law as a sign of honor and respect). Visiting the cooperative and learning how Guatemalan women have supported their families through weaving was a highlight of Christina's trip to Guatemala. She said, "I will never forget the kindness of the women of the cooperative in dressing me in traditional attire. I have the utmost respect for their craft, their talent, and their culture."

IHA is excited to announce that Christina joined the school in September as a Spanish teacher. Welcome back, Christina!

# '15 & '19

**Kailey Medzadourian '15** and **Joni Medzadourian '19**, founding member, captain, and former head coach of the IHA Dance Team, are proud to announce the launch of their new dance studio, Flex Dance Experience! As sisters, performers, and educators, Kailey and Joni said, "We have always dreamed of building a space that inspires confidence, creativity, and community. At Flex Dance Experience, dancers of all ages are encouraged to find their passion and flex their potential through top-tier training and a supportive, empowering environment." The new dance studio opened this summer close to their alma mater in Township of Washington, NJ! Both sisters credit their time at IHA, both on and off the stage, for playing a meaningful role in shaping who they are as leaders and artists and said, "We're excited to carry that spirit forward and share it with the next generation!"

**'18** **Heather (Farrell) Buschman** was married in 2024 to Joseph Buschman at Heather's alma mater, the University of Notre Dame, where she also received a Bachelor of Science in 2022 and a Master of Science in 2023. In attendance were two of Heather's IHA sisters, **Cassandra Mitsinikos '18** and **Emily Ash '19**. On March 25, 2025, Heather and Joseph welcomed their first child, Philomena Clare. Heather, Joseph, and their beautiful daughter live outside of Atlanta, Georgia, with their two dogs, Asbury Maine and Milly Mac.
